INTERNATIONAL ENERGY CREDIT ASSOCIATION

IECA 2023 MEMBERSHIP BENEFITS

Be Informed. Stay Connected.

WHO WE ARE:

The IECA or International Energy Credit Association is a non-profit association geared towards aiding professionals who are directly or indirectly related to the credit risk function in their respective company within the energy industry. The IECA has members from across the globe and hosts educational and networking events in the United States, Canada and Europe!

WE'RE ON SOCIAL!

IECA

IECAssoc

IECAssoc

IECA VISION:

Be the thought leader in international energy credit risk management.

IECA MISSION:

Promote the professionalism of its members by providing continuing education and a forum for the exchange of ideas relevant to credit and financial management of the energy industry.

What's Coming Up for IECA in 2023:

IECA is your "one-stop shop" for networking and education. Mix and mingle with leaders in the industry, all in one spot, at our conferences and networking in-person events, or on our monthly education group calls!

Networking Opportunities:

The IECA is excited to announce we will be holding our four main conferences in 2023:

- Spring Conference, April 2023, New Orleans, LA
- Annual Canadian Conference, June 2023, Calgary, Alberta
- European Conference, June 2023, Location to be announced
- 99th IECA Annual Conference, October 2023, Las Vegas, NV

Along with more regional in-person networking events and seminars throughout the year!

Education & Working Groups

The IECA has a ton of networking and education groups for whatever your focus!

Education Groups

Contracts and Legal Education Group (CLEG)
- Commodity Regulatory Working Group (Friday weekly calls)
- Contract Provision Review Working Group
- Contract Admin Working Group (IECA only!)
- Bankruptcy and Creditor's Rights Working Group

Credit Analytics Education Group (CAEG)

Developing Energy Professionals Group (DEPG)

Regional Education and Focus Groups (Europe, Canada, Mexico, US)

Interest and Advocacy Groups
(Marketing, Professionals for Diversity and Inclusion, Membership, Technology)

And more!

IECA Member Directory

Gain access to over 800 industry professionals via our IECA member directory.

Create your own custom contact directory on your IECA member dashboard!

IECA's Ambassador Program, Mentor Program, and More!

The IECA has a ton of opportunities to be mentored in the industry, including our conference ambassador program and mentor program, which match more seasoned IECA members with newer professionals for our in-person Annual or Spring Conference, or throughout the year during our Mentor program. This is an immersive experience to help bring IECA members into the fold!

The IECA also puts on an "IECA New Member Welcome" presentation yearly with our IECA leadership and volunteers to go over all-things IECA for our new members.

"The IECA is my go to source for knowledge and wisdom when faced with a new challenge in the industry. The online library, digital rolodex, and network of colleagues keeps me informed and in the know."

-Dr. Justin Riddell

Interested in becoming an IECA member?

The energy industry can be difficult to navigate, even for the most trained financial minds. The IECA shows a clear path through this complex business by providing an environment designed for the advancement and discussion of issues directly impacting energy credit professionals. IECA offers individual, corporate and student membership options.

Individual or Regular Membership: $475 Annual Membership

Corporate Membership: $425 Annual Membership

Student Membership: $30 Annual Membership

Check out our website for more membership information and benefits!
